

## FOREWORD

### 2022 S.P.S. - SCHOOL MAGAZINE

We would like to take this opportunity to express our heartfelt gratitude and appreciation to all parents for your endless and continuous support in what has been a very challenging year. It has been heart-warming to see the support and love you give to your children by the excellent turnout at open days, as well as sporting events and interviews.

Toward the end of Term 1 there was a nationwide lockdown, due to the spread of the COVID-19 virus. Packages were available for every student for the ensuing weeks. Face to face tuition was maximised for the remainder of the year. Our numbers had diminished but Management and Staff were very happy to greet returning students. Children revised work and commenced the study of new topics including the study of a Commonwealth country in preparation for beautiful and educational displays, performances and cooking. This was showcased for parents and families in the middle of Term III. As a result of the hard work carried out, children attained an enriched knowledge of different cultures around the world. Great happiness and enthusiasm exuded from the children on the day, which was a resounding success.

*Toward the end of Term II and Term IV it was deemed safe for children to again participate in sports Tournaments and go on field excursions to a variety of interesting places.*

*All the wonderful events can be viewed in class magazines. A colourful, vibrant photographic portrayal of the exciting activities of each class can be enjoyed.*

***Wishing our Samoa Primary families a very happy and especially healthy Christmas and a prosperous New Year.***

## OUR POEMS.

### WHITE SUNDAY

I woke up In the morning and washed my face,  
Then went to the kitchen and saw a familiar face.  
I sat at the table and heard my mum say,  
“Come eat something before you start your day”.

I finally finished the food my mum made,  
Then sat down and took a little break.  
I stood up and got ready in a short while,  
Then walked to church with a smile.

White Sunday is a very fun day,  
Where kids perform plays and eat cake.  
This is a blessed day the Lord has made,  
For my family and I to celebrate.

### WHITE SUNDAY

White Sunday is a day we sing and dance,  
We finally had that beautiful chance.  
To share and learn about Jesus Christ,  
Who gave his love for us as a sacrifice.

As I walk on the stage, my heart is beating,  
I look out at the sacrament meeting.  
I see my parents in the crowd,  
I can tell by their eyes, they are proud.

Monday was great,  
I watched television all day.  
I love White Sunday holiday,  
I hope my memories never fade away.

### WHITE SUNDAY

White Sunday is for children,  
To perform their dances for the parents to hear.  
There was lots of food,  
That my mother cooked.

The food was delicious and tasty  
I couldn't resist eating it all  
because it was just right  
Cooked and warm for me.  
I love the food that was made so lovingly.

The smile on my mother's face,  
can be compared to the beautiful flowers in the vase.  
My white dress was just as white,  
My shoes, my earrings were very bright.

### JESUS CHRIST

Oh holy, holy, holy,  
The King of glory.  
Jesus Christ died on the cross,  
To save those who are lost.

He is my strength when I'm weak,  
He is my treasure that I seek.  
Seeking him as I would a precious jewel,  
If I give up I will be a fool.

Give me joy in my heart,  
As I am praying.  
All to Jesus I surrender,  
To him, to forgive all my sins.

**By: Jeffrey Fautualii.**

### WHITE SUNDAY

White Sunday is a day that we all celebrate,  
For this is the day that the Lord has made.  
All the children performed their dances and songs,  
To be in our hearts forever more.

I see churches in other places,  
With people's happy faces.  
All the parents are so proud of their children,  
They give them a big hug and a smile.

When we went home,  
All our food was prepared by Rome.  
My family and I enjoyed our food together,  
And praise the Lord forever.
