2022 S.P.S. - SCHOOL MAGAZINE

We would like to take this opportunity to express our heartfelt gratitude and appreciation to all parents for your endless and continuous support in what has been a very challenging year. It has been heart-warming to see the support and love you give to your children by the excellent turnout at open days, as well as sporting events and interviews.

Toward the end of Term 1 there was a nationwide lockdown, due to the spread of the COVID-19 virus. Packages were available for every student for the ensuing weeks. Face to face tuition was maximised for the remainder of the year. Our numbers had diminished but Management and Staff were very happy to greet returning students. Children revised work and commenced the study of new topics including the study of a Commonwealth country in preparation for beautiful and educational displays, performances and cooking. This was showcased for parents and families in the middle of Term III. As a result of the hard work carried out, children attained an enriched knowledge of different cultures around the world. Great happiness and enthusiasm exuded from the children on the day, which was a resounding success.

Toward the end of Term II and Term IV it was deemed safe for children to again participate in sports Tournaments and go on field excursions to a variety of interesting places.

All the wonderful events can be viewed in class magazines. A colourful, vibrant photographic portrayal of the exciting activities of each class can be enjoyed.

Wishing our Samoa Primary families a very happy and especially healthy Christmas and a prosperous New Year.

Field Trip to Nelson Public Library:

It was a wonderful opportunity for the students to be trained and gain knowledge of how useful this valuable place is to them. It provides countless educational materials to ensure students are supported in any research. Children were very much energized and they had so much fun.

Library provides another space for children to learn. It can help students make use ore navigate the internet; offer a quiet area for students to study and encourage students to read more.

Country Day - Malaysia

It was an unforgettable day to all the children of Samoa Primary School. Reasons being, that: they learnt facts about Malaysia, a variety of activities such as the dances, anthem, cooking, types of houses, currency and traditional wear. It was obvious that the children we had so much fun/joy entertaining, as well as the parents. Our class studied Malaysia. Its capital is Kuala Lumpur and the currency is called Ringgit. Their traditional food is the satay and nasi lemak. It was a fantastic day.

MALAYSIA
 Malaysia is a multicultural society. The main ethnic groups are the native Malaysians as well as large populations of Chinese and Indians. When visiting the country it is clear that the ethnics retain their religious, customs, and way of life. The most important festivals of each group are public holidays.
RELIGION
 A multicultural and multi-confessional country whose official religion is Islam. As of the 2020 population and Housing Census, 63% of the population practice Islam, 16% percent Buddhism, 11% percent Christianity, 6% percent Hinduism and 3% percent other Religions.
