

FOREWORD MAGAZINE

A very warm greeting and Talofa lava to all parents, families and friends of the school. This year has been a full year with many exciting events, trips, sporting events, fundraising efforts and wonderful Show and Tell Open days undertaken by Preparatory to Year 7 classes. The children had interesting experiences with the advent of CHOGM in October and King Charles and Queen Camilla's visit.

We would like to take this opportunity to congratulate Year 8 for their excellent results in the Samoa College entrance exam. Malo lava.

The students have written on a wonderful variety of topics from family to description of special events, poems and their many experiences of life. Beautiful posters and artwork are also displayed.

May we congratulate all Samoa Primary School students for making the most of their opportunity to learn and teachers and management for ensuring children receive quality education.

Very importantly, thank you to all our wonderful parents and families for your endless support for all school activities. It plays a vital role in ensuring the successful learning for your children. We would also like to take this opportunity to give our heartfelt thanks and appreciation for the overwhelming support for our teacher's professional development trip to New Zealand in December.

Thank you to each and every one of you. May you have a blessed Christmas and have good health, happiness and success in the New Year.
